

Horizons Diagnostics, L.L.C.

Narcotics Medication Policy

Please read and Initial the following contract.

1. _____ Narcotic Medications will not be called to the pharmacy and will require a written prescription.
2. _____ Refills will not be given to patients that have not been seen recently. This will be determined by the physician.
3. _____ Refills will not be given because of LOST or STOLEN prescriptions.
4. _____ Only one physician should prescribe narcotic medications.
5. _____ Narcotic Medication requests require a 24 to 48 hour notice.
6. _____ Patients must present a photo ID before a prescription is released.

I understand the above statement.
